WE'VE GOT GREAT TASTE

Seared, Baked & lightly Warmed

Cooking Instructions

For food safety, all meat items should be heated to internal temperatures of 165° Fahrenheit prior to serving.

Flat Top Grill

Pre-heat a lightly oiled Grill to 350 Fahrenheit. Cooking time varies depending on amount and size of portion. Place frozen steak portion on the grill and cook until the topside of the steak defrosts. Flip steak and begin to separate or shred by holding the steak down with a spatula in one hand, and shredding with another spatula. Separate or shred to desired consistency and cook until fully browned throughout. Blend with desired toppings.

Broiler

Preheat your oven's broiler to 400° Fahrenheit. Place steaks on broiler-safe pan and cook for approximately 6 minutes per side, or until internal temperature of 165° Fahrenheit is reached. Consult your owner's manual for specific broiling guidelines.

Stove-Top

Preheat a skillet or grill pan with 1 tsp. of oil, place steaks in pan, cook on medium heat, flipping occasionally, for 6-8 minutes per side or until internal temperature of 165° Fahrenheit is reached. For juiciest steak, do not press during cooking process.

Conventional Oven

Preheat oven to 425° Fahrenheit. Heat frozen product (do not thaw) for 5-7 minutes, or until internal temperature of 165° Fahrenheit is reached.

Convection Oven

Preheat oven to 425° Fahrenheit. frozen product (do not thaw) for 4-6 minutes, or until internal temperature of 165° Fahrenheit is reached.

Shelf life

Frozen products must be kept frozen for optimum shelf life and freshness.

Frozen Shelf Life = 365 days

Philly Style Steaks may be thawed in a refrigerator prior to use. Store in the refrigerator for up to 7 days.
