WE'VE GOT GREAT TASTE

Seared, Baked & lightly Warmed

Fully cooked Frozen only

For food safety, all meat items should be heated to internal temperatures of 165° degrees prior to serving.

Stove-Top

In saucepan, combine our delicious meatballs and your favorite sauce or gravy on medium heat, stirring often. Reduce heat and cover pan and simmer for 25–30 minutes, or until hot or desired temperature.

If using thawed meatballs reduce cooking time to 20-25 minutes, or until desired temperature.

Microwave Oven (Fully-cooked items only.)

Arrange your favorite Devault Meatballs in a microwave-safe dish and cover appropriately. Microwave on high power for approximately 2-4 minutes, or until heated to desired temperature. Time is based on (5)-1oz. meatballs - Larger sizes or increasing the quantity of meatballs will require more time. Microwave oven heating times may vary.

Conventional Oven

Pre-heat oven to 375° degrees. Evenly arrange your favorite Devault Meatballs on an ungreased oven-safe baking dish or sheet pan. Bake for 15–20 minutes.

Convection Oven

Pre-heat oven to 350° degrees. Evenly arrange your favorite Devault Meatballs on an ungreased oven-safe baking dish or sheet pan. Bake for 10-15 minutes.

Shelf life

Products are to be kept frozen for optimum shelf life and freshness.

Frozen Shelf Life = 270 days

Meatballs may be thawed in a refrigerator prior to use.
Store in the refrigerator for up to 7 days
